Agarwal Packers and Movers, a unit of DRS Group, engaged in packing and shifting of household goods launched the CHAPP van (Car, Household, Artifacts, Plants and Pets), a new-concept composite container vehicle to shift entire household goods, the car, plants and pets all in one at Hyderabad on March 1, 2015. The first-of-its-kind custom designed CHAPP van provides space for each item and ensures better safety and ease of handling. There is also provision for one person to travel with the vehicle, if the customer so desires.
